

6.0 PROGRAMME OFFERINGS

E. DIVISION OF ARTS, SCIENCE AND GENERAL STUDIES (DASGS):

Students entering DASGS may opt to study for an Associate Degree offered by the Sir Arthur Lewis Community College, or may choose to study for the Caribbean Advanced Proficiency Examinations (CAPE) and receive the CAPE certificate.

Students must meet the College's General Entry Requirements (1.0). In addition, each of the following requirements must be met:

- Students must have CSEC Grades 1 or 2 in **at least three** of the following subjects: Additional Mathematics, Agricultural Science, Biology, Chemistry, Economics, English B, French, Geography, History, Information Technology, Integrated Science, Mathematics, Physics, Principles of Accounts, Principles of Business, Social Studies, Spanish, Theatre Arts, Visual Arts.
- Non CSEC qualifications will be considered on an individual basis.

Students will receive advising on their subject choices for CAPE after acceptance into the Division and before they register. They should, however, note the following:-

- Priority will be given to candidates who have obtained Grades 1 or 2 in the subject or subjects they wish to study.
- Where a subject is offered at CSEC, the Division will in **most cases** require a Grade 1 or 2 in that subject as a prerequisite for entry to that subject.
- Certain subject combinations may not be possible due to timetabling constraints.
- Please be advised that a pass in Agricultural Science and Integrated Science does not qualify a student to study one of the pure sciences at the Division (Biology, Chemistry, Physics).

The Associate Degree Programme

Students may opt to take an Associate of ARTS, APPLIED ARTS or the Associate of SCIENCE.

Students opting for an Associate Degree may select one of the following subject concentrations related to their selected Associate Degree.

Students are advised to consult with their School Counsellors to obtain supplementary information on each concentration.
