

1.0 GENERAL ENTRY REQUIREMENTS:

Bachelor's Degree, Associate Degree and Caribbean Advanced Proficiency Examinations (CAPE):

Admissions requirements for undergraduate programmes include passes in at least five (5) subjects at CSEC general proficiency level including English A and Mathematics Grades I and II before June 1998 and Grades I, II and III after June 1998, and/or

- a. Passes in the College Entrance Examination plus an evaluation of the transcript.
- b. Aptitude examinations for example (General Education Diploma (GED), or Scholastic Achievement Test (SAT), or equivalent) plus evaluation of transcript.
- c. Applicants whose secondary education was completed in a country other than St. Lucia must provide evidence of equivalent qualification.
- d. Applicants must meet the requirements stipulated by the Academic Unit offering the programme of study under consideration.

Certificate:

Entry requirements for certificate level programmes vary for the various programmes offered at the College (*See Certificate Level programmes offered for specific entry requirements*).

(References to Grades 3 are for CSEC results obtained in or after June 1998.)

Persons who wish to offer Access courses as part of their entry qualifications are advised that most Access courses consist of two parts, both of which must be successfully completed prior to registration. Please note that the Access course grade which is acceptable for entry is determined by the respective Programme.

Persons who have attained SALCC qualifications should indicate that on their application to the College.

English Language Requirements:

- a. The College requires successful applicants to demonstrate their ability to understand and express themselves in English. This includes reading, writing, speaking and listening;
- b. If the applicant's first language is not English they are required to show satisfactory evidence of competency in English.

Mature applicants:

The College will consider for admissions as mature students, persons whose previous school performance, private study and/or recent work record and experience suggest a strong possibility of academic success. Such learning and/or experience must therefore be comparable in scope and extent to the prerequisites of the programme under consideration.

A mature student is defined as Individuals:

- a. 21 years of age and older, whose previous school performance, private study, and/or recent work record and experiences suggest strong possibilities for academic success;
- b. Who have relevant work experience;
- c. Who have no secondary school, college or university level studies within the last five years;
- d. Students shall also meet any other stipulated requirements of the Academic Unit offering the Programme of study under consideration.

2.0 REQUEST FOR CHANGE OF APPLICATION/PROGRAMME:

A candidate, having submitted an application by the deadline date specified, may request a change in the programme applied for and shall pay a change of programme fee of **EC\$25.00** upon submission of the request. Change of application forms are available at the Sir Arthur Lewis Community College.

Deadline date for submission of Change of Application/Programme form is **30th April 2022**.

3.0 PROGRAMME OFFERINGS:

The College offers a range of programmes at the Certificate, Diploma, Associate Degree and Bachelor's Degree levels. College programmes are normally completed over a two-year period; however there are some Certificate programmes which are of one year's duration or less and the Bachelor of Science in General Nursing, Bachelor of Education, Bachelor of Arts in Environmental Studies and Sustainability; Business Administration; Public Health; and Tourism and Hospitality Management are of four years duration. O. GATEWAYS TO GLOBAL CAREERS (GCC)

The **Gateways to Global Careers (GGC)** is a cutting-edge offering from the College which future-proofs your career by enhancing the global marketability and employability of graduates. The Gateways programme involves workshops and seminars delivered by world-renowned experts along with internships, an incubatory experience, community service and design competitions, all geared to boost your entrepreneurial and innovation capabilities.

Associate Degree or Bachelor's Degree students at the Sir Arthur Lewis Community College can enroll in the Gateways programme and go global.

The Gateways programme provides Sir Arthur Lewis Community College students with an advantage in accessing some of the top-rated Universities for Innovation in the world. This means that Gateways students will carry out projects and undertake internships alongside international students.

Gateways students will have the opportunity to set-up a for-profit business on the Start-Up Space platform which provides access to critical virtual resources for building relationships and networks.

STRUCTURE OF THE GATEWAYS TO GLOBAL CAREERS PROGRAMME

The Gateways programme is structured to fit around the schedule of your regular Associate Degree. The seminars and workshops take place in blocks and are structured to continuously build your knowledge repertoire so that you are fully equipped for the practical projects. The seminar series is designed to help you identify emerging opportunities. Within this series you will also take part in a design thinking workshop in which you will come up with a product or service to be entered into the design competition, after which you may launch your business idea! The summer period will be used for you to gain experience through an entrepreneurship franchise programme, collaborative community projects or an exchange programme depending on your interests. Many Universities also ask that you come in with proof of community involvement and extra-curricular experience.

SEMINARS AND WORKSHOPS INCLUDES:

- Global Entrepreneurship & Innovation
- Business Model Creation
- Cultural Intelligence
- Design Thinking for the Future
- Sustainability & Innovation – The Future of Entrepreneurship
